

## **Handled With Care**

Local or nationwide, removals are our business.

Everything we move is handled with care. We tailor our work to your needs and all levels of work catered for.

From a table to a teacup everything is packed and labelled. Your possessions will arrive at your new home in the condition they left the old home. Everything is moved in our vehicles that are built to carry removals.

Our packers are trained in the art of packing and all are experienced in handling and carrying fragile and precious items.

We supply all packing materials.

Cases and crates custom made to order.

We are happy to provide a cost-effective service for smaller moves.

## **Storage**

We are happy to provide storage on a short-term or long-term basis.

We can store your furniture and effects while you sell your home to give clutter-free viewing.

Storage available for removals between homes or during renovation.
