

Established in 1989 Robert Boys Shipping is a family run business.

Over the years since 1989 we have gained a reputation as one of the leaders in fine art and antique packing and shipping. We move and ship objects from the top London antique auction houses to businesses and private homes around the world. We have been members of LAPADA (London and Provincial Antique Dealers Association) for more than 10 years.

Hand in hand with our work in antiques we have developed the fine art of removals. Our trained and experienced packers move household effects with the care usually reserved for fine art. All household goods are handled with the care reserved for fine objects.

We pack and ship antiques, fine art and removals regularly by air and sea to all four corners of the world. Our vehicles regularly deliver in France, Italy, Germany, Holland and Belgium.
